The following story is inspired by true events. However, all characters and events
are fictitious, and any resemblance to actual persons, living or dead, is coincidental.

Today is Monday October 9.

Today missis Spencer goed up to the front

of the class and sayd to us Class one two

three one two three drop your pencil eyes

on me and then she smiled at us and

we laffed becaz her smile its so pretty.

Then missis spencer sayd Friends we are

going to have a new adition to our class he

is a new studint Everyone say hello to our

new friend ! then we all said **HELLO NEW**

FRIEND but he didnt say hi back he just
standed in the front of the class and he
looked down on the flor and haved his
arms croosed and a mad face and then Misses
Spencer sayd to the new boy Why dont
you tell us your name? and misses Spencer
sayd it sooo nice she is the nicest teacher
I swear but the new boy he didnt say any
thing and he dont even look at the teacher.
So misses Spencer bended over and put

her hands on her knees and talked to him
real quiet because that's how she talk
to boys and girls who don't listen the first
time. She talked to him like that for long time
and she smile too because Misses Spencer is
the nicest teacher in the whole wide world
but the boy he look so SO mad I don't know
how come. But after a long time he said
some thing but he said it so quiet that we
couldn't hear him but Misses Spencer heard

him and that's why she nodded and smiled BIG

and she got up and stood so straight

and tall and she said in a big pretty voice:

Alexander HOLMES, every body! Meet

our new friend Alexander Holmes! So we

all said **HELLO ALEXANDER HOLMES!**

and this time he said hi but in a not nice way

and he still had a mad face and arms crossed.

Now Misses Spencer said to Alexander

Holmes Alright now Alexander come on

over here to your new seat. He stood
there though right in front of the class and
he didn't move so Misses Spencer said
again Alexander? Will you have a seat? so
he said some thing to his self but very
quiet i think it was bad words maybe
and then he started to stomp his feet
and move to his seat wich it was next to
Cecelia Hammond. When he get to his seat
then Alexander look at the seat and he

stare at it a long time But He doesnt sit

then he stuk out his tonge and made a realy

loud sound like this **BLAAAAAKHPTU**

it maked us all scared and it maked cecilia

screem. Misses Spencer she was by her

desk so she ask Alexander was that you?

and he sayd some thing like **ATHMGAFF**

so misses spencer sayed What is it Alexander

whats wrong? misses spencer she is the

nicest most smartest teacher ever ever

she waited a minute for Alexander to talk

but he stood there with his eyes closed

and his tongue out and his arms crossed

and after a long time he said I DON'T

WANA SIT HERE! so Misses Spencer asked

him why not and he said I DON'T WANA

SIT NEXT TO A **GIRLLLLLLLL**

wow Alexander he talked so so loud he yelled

and Misses Spencer she waited she didn't

say anything for a long time then she said

to alexander in nice way but like a way that
mean she mean it she sayd Well Alexander
everyone in class has a asined seat and they
have to sit there. this is your seat and so
ther for I would like you to have a seat.
when misses Spencer sayd that to Alexander
all a suddin he close his mouth so tight and
he squeeze his hands and shaked and
his face turnd red and he sayd so loud

WAAAAAAAAAAAAAAAAA

He said it so loud we all covered our ears
and even some of them they put their
heads down. Misses Spencer now she went
by Alexander and stood next to him she
try to talk to him and even to make him to
stop going **WAAAAAAAA** but he kept
doing that more and more and more and
then Misses Spencer she tried to take him
to the hallway but he didn't want to go he
started to cry and scream so so loud and

you know what? Alexander Holmes that boy

he doesn't listen to the teacher at all and

he acts real bad.

Later it was time for an activity and

Misses Spencer she gave us directions

about how to fold our papers but we

couldn't hear what she was saying because

Alexander he kept yelling and hitting

the desk so hard with his hand and he

always talked louder than the teacher.

She always has to stop and to say in

a nice voice Alexander? Excuse me please

raise your hand if you have something to

say We don't yell out in this class. But

when she says that Alexander he only looks

down and says quiet words to himself which

I think they're bad words. And then he

kept being loud when the teacher is

saying the directions and she has to tell

him like a milion times please stop but

he wont stop. Then FINLY he stoped I think

he was tired. so then Misses spencer sayd

Now boys and girls, if you folded your

paper crecly you should see four squares.

my Paper it haved four squares. Then she

sayd Now in the FIRST square write your

name. Misses Spencer she is so nice she

likes green and likes to ride horsies. She

is realy pretty. I write my name in the

frist square then she sayd OK now in the

SECEND square write in your hair coler.

So I used the brown cran to write **BROWN**

becaz that is my hair coler. Misses spencer

loked at my paper and she sayd GOOD JOB

I love misses Spencer. But then when she

comed to Alexander she sayd Alexander

how come your paper is riped up and rinkled

like this? and what are all of these

scribles? And then I donno what he sayd

but it sounded like **GRAOWGA** so then

misses Spencer she taked the red cran

from his hand and she put her face close

to his face becaz that mean he have to

listen or he will get in big Troble she sayd

Alexander? Stop! you are not listening.

Alexander sayd to her **STOPPPP LEAVE ME**

ALONE so misses Spencer sayd You need to

follow derection like the rest of the class. So

here is a new sheet of paper and I even

folded it for you already Now write your
name in the first box and your hair color
in the second box. But this boy Alexander
Holmes he so CRAZY! Misses spencer have
to say it like a thousand times before he
did it. Then when he did it Misses
Spencer took the paper and said Why did
you write RED in the second box? and
Alexander didn't answer he never answer the
first time ever ever. Misses Spencer said

you were supposed to write your hair color

in the second box. You wrote red but your

hair is not red. Alexander said **YES YES**

I HAVE RED HAIR and Misses Spencer said

No you do not Alexander Your hair is **NOT**

red. so he mumbled **yes it is yours so stop it.**

OH MY GOSH how could he say that to

Misses Spencer she is so nice? Misses

Spencer told him Alexander? Your hair

is **NOT RED.** he yelled so loud **MY HAIR IS**

REDDDDDDDDDDDDDDDD

my gosh all he do is scream this boy!

then Cecilia she sit next to him she yell

at him she sayd STOP YELLING! so Alexa

nder pinshed her arm and pulld her hair

and then he pushed her and she falld out

of her chare. misses spencer had enoff she

sayd Alexander that is the LAST STRAW

you are going OUT side! Stand up lets go!

But he kick the desk and screemed and

he Yeled and he cryed and cryed and cryed

and cryed and Misses Spencer she haved

To pick him up and pull him out side to the

hallway and he kepted crying and yelling

and Cecelia she was crying also.

Today is Tuesday October 10.

Today when misses Spencer taked atendens

We all sayd "Here" but when she come to

Alexander Holmes he sayd PRESIDENT!

I think he meaned present. When it was

Reading time Alexander pretended that

his book is a plane and he flewd it around

and around and he maked the plane sound

like this:

vRRRRRRR cHecHecHecHecHe

he hit Derek on the head with his plane
book and then he threwed it and it hit
the wall. and Then when we went To music
misses Teegs made him stand in the corner
for time out becaus he use the clarnet
like its a basball bat and he hit paper
balls across the class room. Then he run
around and Push studints out of there chares
So misses Teegs maked him stand in time
out but still We cudint learn or play the

singing game becaz Alexander he screamed
and cryed for the whole time out time.

When we came bak to the class misses
Spencer maked Alexander stand in the
corner by her desk because he tried to
trip Cecelia and she falled and hit her
elbow in the flor and she goed to see the
the nurs and then when Alexander standed
by Misses Spencer desk we were doing the

math problems and he start to yell **JULIA**

SPENCER JULIA SPENCER JULIA SPENCER

JULIA JULIA JULIA JULIA JULIA JULIA

because He seed her frist name and misses

Spencer telled him a tousand times she

Sayd Alexander **THAT. IS. E. NOFF.** and

misses Spencer realy meaned it becaus her

eyes get **SO BIG** it looks scery. this

boy Alexander Holmes he makes misses

Spencer realy realy mad. I dont like this

boy Alexander Holmes.

Misses Spencer explained to Alexander

about the "sistum" that she have in her

class. She sayd to him Now Alexander you

have to under stand. In this class room

ther is a sistum. This sistum haves rules. You

have to obay the sistum and you have to

folow the rules. Look how every one folows

the rules? You are part of the sistum so you

have to follow the rules of the system just
like all the other students. That's what
Misses Spencer said to Alexander she said
it so nice I swear and yes all of us we are
part of the system and we all have to follow
the rules. I follow the rules I swear and I
like the system. But **THIS BOY ALEXANDER**
HOLMES OH MY GOSH the whole
time Misses Spencer is talking he is not
listening he just kept saying in a quiet

voce joooooooo leee aaaaaa joooooooo leeee aaaaaaaaaa

he kepted saying that and while she takd
to him he kepted braking crans! He braked
the blue one then the green one then the
yelow one then the purpel one and then
misses Spencer grabbed the crans from
his hand and grab his arm and pull him n
sayd ALEXANDER I'M TALKING TO YOU! and
Alexander sayd **OWWWWWW LET GOA**
MEEEEEE OWWW DONT TOUCH MEEEE

What a HOREBEL BOY is this Alexander

Holmes!

Misses Spencer maked Alexander stay

after school today to call his house becaz

he throwed the hole pile of papers

out of the window and then during snack

time he opened all the cracker pakets

And throwed them on the flor. So he stayd

In class and we goed to the bus at the end

of the day but he stayed there. I think

he shud stay there **FOREVER** becaz

this boy he doesnt listen and he doesnt

folow the rules and he dosent obey the

sistum. And every one they are suposed

to obey the sistum.

Today is Wednesday October 11 .

I comed to class early today and i went

to my class room Misses Spencer was

there she said Hello Sweet Hart so nice

and I sat down at my seat but she was

talking in the telefone and she sayd

Can you BELIEVE that? SEvEN children!

No i dont believ there is a father

in the picture. and no Telefone?? Yes well

at first when he told me I didnt think it

was possible, but he was telling the truth!

No telephone no method of contact! I mean

what do we do in case of an emergency?

I swear to you this whole situation is

preposterous! I think Misses Spencer was

talking about Alexander Holmes.

When we reached the place

to the flag Alexander was being silly he

kept making silly annoying sounds like:

u-BLAJA PFHHT-PFHHT UGA WAG

and he stand on his chair and he was

wiggling and making spitting sounds I

see Misses Spencer she take deep

breaths I swear this boy Alexander Holmes

he make every body so mad! so after the

plejif aleejence Misses Spencer moved

Alexander's seat so now he sits next to

Henry instead of Cecelia. I like where

is Alexander's new seat because it is far

away from me and from the other students
too except poor Henry he had to sit next
to him. And when we were doing the bell
work Alexander crumpled up the paper and
threw it ALLLLLLLLLLLLLLL the way from the
new seat to Cecilia's seat he hit her in the
face. She was so mad that she screamed and
cried and she went out to the hallway
to calm down. Then it was reading time
and Erik was reading the story it was Erik's

turn to read out loud so Erik readed "And

Then Todder Frog took his food and"

and while he was reading Alexander

mumbeld "AnD ThEn TodDeR fRoG ToOk hIs

fOoD aNd" So Erik Stoped and looked at

Alexander so Alexander stopped and

Erik goed on he sayd "went to the

pond to share it with" And stoopit

Alexander sayd "wEnT tO ThE pOnD to sHaRe iT

wIth" And he maked Erik mad so Erik sayd

Misses Spencer tell him to stoppppp and

Alexander said WHATTTTTTTTT IM

READINGGGGGGGGGGGGGGGGG So Erik Sayd

But its MY turn and Alexander maked the

most uglyest face I ever seed in my hole

in tire life!

Alexander Holmes hes so ugly and mean.

But today misses Spencer was difrent. she
didnt say about the sistum or give Alexander
the seirus tak or time out or say THAT.
IS. E. NOFF. like she sayd befor. today she
Didnt even lok at him or say any thing to
him! she only help other studints and if some
body sayd that Alexander is bothering them
she sayd Its fine hunny just try to egnor
it thats all she says. I dont know how come.

Later Alexander scribbled in red cran
on his desk and then he scribbeld on
Henrys desk and then he scribbled on
Henrys SHIRT! Then when we dood the
math problims he just sit in his seat and
maked paper balls. Then when misses Spencer
is not looking he taked the rubber band
and he shoot the paper balls at every body.
And he braked all the crans in the box and
rip his book and stompd Evans foot and puled

~~I DONT LIKE ALEXANDER HOL~~

Maragarets hair and poked Lauren in the
tummy with a sharp pencil. And thats
when something very scrary hapened
becaz when Laren was crying and Alexander
was laffing misses Spencer standed up
and she sayd in the biggest lowdest voice:

ALEXANDER!

GET OUT !

NOW!

I never ever EVER heard misses Spencer
Scream before she always smiles and
she is nice and she is pretty and tells us
nice things and jokes and stories But today
she didnt smile as much as befor and she
taked less and then she yelled and screemed
SO LOUD! But u know what? It scard EVRY
body n we were all kwiet but it did not scare
Alexander becaz when misses Spencer
screamd he laffed he laffed harder and

harder he luffed so hard that he felled on
the floor laffing.

When we goed to gym class Alexander
stealed the bag of baseballs and he run
after the studints n throwed the baseballs
at them. He hit Sammy in the leg and
Lauren on the arm and they both
cryed. Then when Mister G put him in time
out Cecelia was doing the jump rope and

ALEXANDER

Alexander taked it from her and use it

to slap her with it. He hit her on the back

and the leg with it and maked it bleed.

Mister G was so mad at Alexander that

he maked him sit in his ofis by his self.

but that was a bad idea becuse Alexander

threwed every thing outside of the drors

and pushed all the papers and things off

of the desk and hit the macheen with the

stapeler until it breakd and when Mister G

came to yell at him he runned out of the
ofis with the big ruler and hit Erik
so hard in the nose with it that Erik
fell on the flor and lotsa blood came
out of his nose and the nurs and her helper
had to come and take him out of the gym.
And Mister G grabed Alexander and pulled
him out of the gym so hard and Alexander
screamed like a girl and kicked his legs and
cryed so loud and so hard i swear he is

the most stoopit boy I ever seed I
swear. And then when Mister G was
pulling Alexander so hard out of the gym
he sayd so so so many kuint bad words to
Alexander but I heard one I never heard
before Mister G called Alexander some
thing called a **ANTIE CRYST** .

Today is a really really bad day.

during the plejif aleejence to the flag

Alexander drewed a American flag and

He maked the stripes black and the stars

purpel and then he taked sisers and cutted

up the flag and threw it on the flor. when

we finishd the plejif aleejence misses

Spencer comed to Alexander and sayd

Alexander? Are we going to have a good day

today? And Alexander played with his

fingers and sayd joooo leeee aaaaaaaaaaaaaaaaaa

he singed it like a song. So misses

Spencer sayd Excuse me but do NOT

call me that. My name is misses Spencer.

and Alexander sayd JOOOOOOOOOOLIA!

Misses Spencer then sayd Alexander I

Am NOT going to say it agen. You dont

call me that you call me Misses Spencer.

Alexander sayd **JULIAAA JULIAAAAAA!**

misses Spencer waited a minet she didnt

say any thing. Then she get up SO CLOSE

to Alexander like her face almost

touch his face and she sayd to him I

SWEAR she sayd this to him and her face

was so scary she sayd: You lissen to me

you inselent little twerp. I dont know who you

think you are or where you think your coming

from. But in **THIS** class room we have rules.

We hav order. We have a sistum. And you and

Evryone else are gona folow that sistum. And

let me tell you some thing. The sistum always wins.

so If you so much as **TRY** to braek the rules

Today im going to squash u lik the vermin that

you are.do you understand me Alexander Holmes?

Whn I heard misses Spencer say those

Things to Alexander in such a kwiet skery

voise that sounded so ~~mean~~ not nice

I putted my head down and closed my

eyes realy tite. I was so scared becaz i

NEVER seed misses Spencer talk like that

before. But the scariest part of the whole thing is that when she said all those things to Alexander he didn't put his head down or close his eyes or even be scared at all. He just looked at Misses Spencer right in her eyes and he was smiling.

I knewed when I seen that that this was gonna be a really really bad day.

Misses Spencer moved Alexander's seat

To a desk by his self and it was by the door. Alexander sat in his new seat and drewed on a paper. Then misses Spencer she teached us about clouds and the oh zon layer but Alexander he didnt say any thing or be bad he just sat in his seat and drewed.so then it was group reading time so we all sitted on the floor with our groups and we were reading and then suddenly Amber she screamed so lowd

like this **EEEEEEEEEEEEEEEEEEEE**

and she jumped on the desk and she

pointed by the wall and there was a BIG

FAT HARRY MOUSE! he crawl by the wall

very fast and he comed by the desks

so every body jumped up and screamed

and runned around the room and we

jump on the chares and the desks and

all the girls were crying and even Shawn

and Derek were cying too. Misses Spencer

she runed to the telehone she was SO
skared! she called the janeter to come
fast and then she sat on her desk and
sayd Its alrite its just a mouse its alrite.
then the janeter comed with a broom and
a jar and he scoped up the ugly mouse and
put him in the jar. Then when he leaved
with the mouse we all come down from the
chares and the desks and we taked about
the mouse and how it was skery. and we

all kept talking and talking about the mouse but Mises Spencer she was standing by her desk and she put her hands on her hips and she was looking at Alexander he was still sitting in his desk alone by the door and he was still sitting and he kept drawing on the paper and the whole time he didn't say any thing or do any thing and he didn't even look up to see what happened. He just kept drawing

kuietly and minding his own bisness.

We goed to computers and then

Alexander askd Misses Linch if he can go

to the bathroom. so when he comed back

he haved a cup of water with him and

when he was walking by Misses Linches

desk he triped and all the Water falled on

her desk and her papers and her computer.

Then her computer stopped working and it

maed small electristy. Alexander sayd

im sorry it was a axident. Misses Linch

was mad but she telled Alexander to

go back and sit in his seat. But later she

got REALY mad when alexander ripped

the wire out of the mouse and he broked

off the letters on the keebord and he lost

the ball for the mouse. And that was

Also by Axident.

When we came back from computers

Doctor Harding was there with Misses

Spencer Doctor Harding is the principal

of the school. he was standing by the door

and when we all sat in our seats Misses

Spencer said Class you all know Doctor

Harding the principal he will be joining us

Today. We all said HI DOCTER HARDING

And he smild and sayd Hello Evry One. He

walked around the class room to see us

working and when he got to Alexander's

seat he said Hello young man you must be

a new student. What is your name?

And Alexander said to him I'm Damian

Jones. This boy he is a liar because that's

not his name. Misses Spencer heard

him so she said with a smile Are you sure

about that young man? So Doctor Harding

said Well that's interesting young man

because there is no one in the school record

by that name so alexander yelled out HER

NAME IS JUUUUULIAAAAAAAAAAAAA

And he pointed at Misses Spencer. Docter

Harding sayd Yung man I didnt ask you about

Her name I asked you about yours.and

by the way you shouldnt talk to adults

but Alexander he wasnt lisening he was

singing the song jooooo leeee aaaaaaaa jooo leeee

aaaaaaa and Docter Harding telld him lik a

milyon time to stop singing but he kepted

singing it and Doctor Harding looked at

misses Spencer and Misses Spencer looked

at Doctor Harding too.

Alexander spilled the red paint on the

carpit and on Doctor Hardings shoes but

he sayd it was a axident. Then he hit

ryan on the head with the math book but

he sayd it fell out of his hands and it was

a axident. Then he spraid glue on the

desk and broke the pencil sharpener and
tipped over the music player and made a
hole in the wall when he pushed the chair
so hard on it. and he lost the stapler and
ripped Amy's home work and glued Henry's
note book to the window. But all of these
they were accidents and Alexander he said
he felt really bad for making all those
accidents and he was soooooo sorry.

And Misses Spencer she smiled and she

said oh well accidents happen I suppose.

But she is smart because after that she

said but we always have to fix our mistakes

so she made Alexander clean up all of the

accidents that he made. And when we had

art and snack time he couldn't come because

he had to stay in class and fix all of his

accidents that he did.

And then a really really bad thing happened.

When we went to recess we were playing

kick ball and Alexander wasn't allowed to play

because he kept having lots of accidents.

So while we were playing he kept running

on the field and kicking the ball far away

and then running away before we could catch

him. So one time he tried to do that and

Anthony caught him and pulled his hair.

So Alexander kicked Anthony in the knee

and then he kicked Alen in his leg and

he Kicked Henry and Derek and Ryan

and then he ran around the field and kicked

every body in the leg and then he goed to

the top of the jungel gym and try to

kick all the girls so that they wud jump

off and when he got to Cecelia he pulled

her hair and swunged her and threw her off

of the jungel jym. Then all the teachers

came to the jungel gym to get Alexander

but he was now at the very very top of

the jungel jym.and so all the girls they
start to jump off and to go down the slide
and they were realy realy skared and
Celelia she fell on her leg and she cud not
get up by herself and she cudint move
her leg. Alexander standed on top of the
jungel jym and he laffed and laffed and
all the teachers came out there was
Misses Spencer and Mister G and Miss
Horn and Misses Horvath and then they

called Docter Harding. So Docter Harding

Came out and yelld to Alexander Young man

You come down here rite this INSTENT!!!

So Alexander taked out a big sissers from

his pocket and sayd **IF YOU PEOPLE**

COME UP HERE IM GONA KILL YOU!

And all the teachers yell to Alexander to

come down and to stop this non cents and

to get the hell off of the jungel gym you

dammed deeman (that was Mister G).

Then Doctor Harding said he had enough

He yelled to Alexander he said If you do

Not come down here now AND I MEAN

NOW then im coming up after you and it

Will NOT be pretty! So Doctor Harding

started to climb the jungle gym and he

goed up to the top but when he got there

Alexander he reach down with the scissors

And he cutted Doctor Hardings hand with

it! Doctor Harding screamed out loud

and he comed back down and he had
a VERY big cut on his hand and so so so
much blood. And we all loked up at Alexander
on top of the jungel gym and he looked
down at us and he laffed and laffed
and laffed.

The teachers bringed all the studints
together and we goed inside the gym with
Mister G and Miss Horn and we sat by

the window and we could see. Doctor Harding

and Misses Spencer stood outside by

the jungle gym and then we heard the

ambulance truck coming and the doctors

came from the ambulance. Then the police

car came and there was a lot of police

cars and they talked to Alexander on the

speaker and told him to come down but

he stayed there on top. And the ambulance

doctors took Cecelia and carried her

to the truck on the big white bed with the

wheels. And the police kept talking to

Alexander to come down but he stayed and

He would not come down. And Then the

ambolense they taked Docter Harding

in the truck too. And we seed Misses

Spencer standing by the Jungel gym and

she was yelling and screaming and she

was so lowd and crazy and when the fire

truck comed and bringed out the ladder

misses Spencer screamed HE IS NO

CHILD THAT IS NO CHILD! IT IS A

FORCE! IT IS A FORCE OF

NACHURE!

IT IS A FORCE OF

EVOL!

Today is Friday October 13.

Alexander Holmes was not in school today.

We all comed in and we begined our bell

work but Misses Spencer she did not say

Hello or Good Morning or Sweet Hart and

she didnt smile or joke or do any thing.

She just standed by the chak board and

loked at us very kuietly. Then when it was

reading time she kepted yelling at us to

stop taking and to sit strait and to work

by ourselves and to stop it stop it **STOP IT.**

She sended Anthony to the ofis and she

put Erik in time out and she maked

Sara and Lauren and Alen and Nancy stay

in class during resess time. And then she

sayd that we all haved to do home work on

the weekend becaz we **could not manej to**

stop all the talking and fooling AROND!

She sayd that then she sayd **ALL** of you

are going to Lern that in this class room

there are RULES and there is ORDER

and there is a strong important SYSTEM

and you will ALL learn to follow that system!

This is a good successful system and EVERY

ONE HAS TO FOLLOW IT!

i miss the old Misses Spencer she was so

nice and pretty and sweet and smart and

i love Misses Spencer. But then when

Alexander Holmes came to our class room

He ruined the system and now things in

Misses Spencers class are really difrent.

I wish Alexander Holmes never came to

Misses Spencers class.

i haved to go to the bath room after school

today so I missed the bus.so i goed back

to my class room and sayd to Misses

Spencer can I wait here until my mom

comes? And she said **SURE** lik that she

sayd it just lik that she sayd it so ~~mean~~

~~not~~ mean. So I sittd at my desk and

read my book kuietly and misses Spencer

didint ask me how was your day or what

do you have plans for the weekend she just

sat at her desk and worked on her papers.

Then a little wile later a man nocked at

the door he was a Very Big Man and he

have short hair and big glasses and a big

Tummy and he weared a ty and he had a

woman with him too they comed inside and

shaked hands with Misses Spencer. Then

Misses Spencer and the very big man and

the woman sat down on the desks and they

talked and the big man had a brown envelop

and lots of papers and they keepd asking

misses Spencer questions and writing on

the papers from the envelop and Misses

Spencer started to cry she cryed and she

cryed and she used all of the tissues in the

box I swear she is so nice i love misses

Spencer. And she kept crying and I

think its becuz they were talking about

Alexander Holmes and about how he came

and ruined the sistum and about how

things were good but after he came they

becomed bad and I dont kno when things

will go back to being good again.

THE END
